Sparkie™ - July 17, 2012, 12:00 am

Taking offers. Need this gone fast. Pm me or talk to me on aim or skype.

AIM: Sparkieownz

Skype: Sparkies29

So this is my first steam account selling. Stole it today, (not mine).

RULES:

Not going first i guess you know why.

No trades only sell, i need money.

The account you buy WILL be verified to your email afterwards.

If you scam by charge back, I will report you to HF and call up PayPal.

Sales are final, once you get account I have nothing to do with it and you will not charge back under any circumstances.

You will send as gift in paypal with note saying:

So now let's get to the account.

Once you buy, you will get the email and password. And password to the guy's email.

Games with proof :

If you're going to make this an auction you should have put it into the member auctions forum, not the secondary sellers forum.
