Number 77? Rofl this is going to be hard

Kaspersky - July 18, 2012, 5:42 am

This guy is a rip off, he still never close his last giveaway for \$50 because it's fake (someone could've got your number from 1-150 by now) but he doesn't check it or even do anything to his giveaways because he faking and lying in order to give positive rep for "hosting giveaways"

ramtastic05 - July 18, 2012, 5:50 am

i choose 56

thanks
