Thread: [DDosing/Booting xbl websites home connections FREE](#)

uglykidjoes - July 18, 2012, 11:33 am

I am attack sites xbox home connections free of charge. each attack will last 2 minutes so post me some ips people, also no paypal facebook google youtube ect sites as thats not gonna happen. please tell me name of site as well as ip so i can double check everything.

Please say thanks if you use my service.

Taking requests via pm if you don't want everyone to know who you want attacking.

Private jobs taken on aswell for longer down time (pm only)

donations welcome (pm only)

I will refuse anyone I like for what ever reason I like.

DarkWraithh - July 18, 2012, 12:16 pm

Yes that's generally how its done bro.

Spuderpig - July 22, 2012, 4:00 am

Wrong section.

Jesus christ, post reported.

Seen more wrong section posts in this section of the forum then any other.

uglykidjoes - July 22, 2012, 8:48 am

thats stupid you report my post for been in wrong section and yet 2 mins later you post a rat problem in not the rat section! why! because you have same problem as me you cannot post in correct section as your not upgraded member. but did i report your post ? no such a tard seriously , adding to ignore list ive children at home and i dont need to listen to another online.
