2. Reason why I deserve this: I don't know you, and you don't know me. It's up to your speculation on whether or not I deserve this.

I am also wondering how long is the web hosting for? A month?

Florist - July 20, 2012, 9:27 am

FBI? Do you have any experience with web-design?

Also, contribution-wise, what have you done for hf is meant to show why you deserve this.

As long as I can provide you with hosting, I will.
