[b]About Me

I have known Photoshop for sometime now (doesn't matter how long), i have been told i am good but not like superb like my man Warbiest.

Like every other artist in the world i have a theme! I prefer to do modern graphics, with abstract lights, glowing lights and other modern thingys

Mister Sinister - February 12, 2010, 4:19 pm

Your theme is what I need! I need a logo made, trying to find the best artist for it

Stock Photo/Render: None, or maybe you can find one that fits

Font: Completely up to you

Text: Organized Khaos Productions

Theme: Go with your own, I'd love to see what you come up with

Color Scheme: More dark than anything, but not in a Gothic sense, worn down? Maybe? Idk how to explain it

Size: 300x300

Date Needed By: Whenever you can get it done

Additional Notes: I would prefer a transparent background, but if you can make it sexy, go at it.

Other than that, customize however you see fit dude

Darko™ - February 12, 2010, 4:26 pm

Stock Photo/Render: <http://3segundosdememoria.files.wordpress.com/2009/11/vendetta-cine05.jpg>

Font: Up to you.

Text: Vendetta and under that "Psychopathic"

Theme: Horror/ Darkness

Color Scheme: Preferably dark colors

Size: 300 x 120

Date Needed By: ASAP

Additional Notes: Thanks in advance.

I have nothing against either of you it's just i wish to make signatures for people that have been here a bit longer....

I don't think you two have done anything significant for hf yet.. so comeback when you have.

Text: Join The Resistance

Theme: Evil (not important if you don't manage to make it "evil")

Color Scheme: Black/White

Size: 650x200

Date Needed By: I would like to have it before 6th of March.

Additional Notes:It would be nice if it wasn't so squary, and feel free to have some transparency and weird shape to it.

Oh and by the way, don't think that I am a new member and just here to ask for shit. I have been here longer than you and have made thousands of posts. Just so you know because I see you deny some newcomers.
