Thread: [Risen 2: Dark Waters | Steam](#)

zero5 - July 20, 2012, 2:05 pm

I just bought 10-15 games and didn't notice this one already was on my Steam list.

Thus I'm giving away one copy of [Risen 2: Dark Waters](#) for Steam.

Post here to enter this contest. It's the EU version.

A winner will be picked on random occasions shortly.
