Thread: [\[L33T/UB3R\] Win Hack Slot Machine Device SCHEMATICS](#)

panteraledio 1995 - July 24, 2012, 10:06 am

well i decided to give away the Schematics of the Slot machine hacking Device , and Yes this device exists and works

visit my website <http://hackslotmachines.weebly.com> for more info.

I will give this schematic to 5 different members

choose a number form 1-20 and i will use the random number generator to find who wins :)

you can use the schematic in order to sell it or just make the device yourself

have fun :)

THIS CONTEST WILL BE AVAILABLE FOR ONLY 48 Hours
