If the owner wants, or whoever gets the PMs wants, they can forward the PMs to staff. In regards to people posting asking for vouch or free copies in the thread, report the post for "Marketplace Violation". Appropriate actions will be taken.

Rule suggestions are disallowed. If you really find threads that you need to report and send them to the staff member.

Report it and move on, it's not like he's posting someone's personal information. They're asking for a vouch copy.

It does not matter its against the rules..its like saying its okay for someone to impersonate a staff as long as they don't do to much damage or scam alot

Asking for a vouch copy isn't hurting anything. Honestly, it's helping the seller because they're getting a bum_p.

[Hello Existence.](#)

OP, you can now just report, or just PM Moralitas with section link. He'll spend next few days visiting that section often.

That's what he did with Grieifing section. ?

They will be dealt with in a timely matter. If you haven't seen them removed recently, report them through PM to a staff member.

They will be taken care of.
