Thread: [WEBSITE HELP SERVICE - WordPress, Ecommerce, MyBB, Hosting](#)

jamesgates1 - July 27, 2012, 4:04 am

Hey this service has just started i will be making a thread soon.

I am going on holiday in 7 days so contact be before.

I can do all of the following for you for \$10 (first person gets it for \$5)

Buying domains (extra charge)

Name server connection

WordPress installation

Mybb installation

Plugins for Mybb and Wordpress.

Lifetime support

Hosting and MYSQL server setup. (no extra charge)

Redirections

Professional Search Engine Optimization

Installing eCommerce

Professional email set up.

Creating forms (submission are sent to your email)

Mobile site (coming soon)

I am also pleased to say that i can manipulate themes for WordPress for example if you theme does not allow your sidebar to be vanished or not allow you navigation bar to be fully customisable i can do it all for you.

If you only need one off the list for example eCommerce to be installed i can do it for \$2 (lifetime support included for all)
