Thread: [Beta Fall tester for X360!](#)

Milf - July 28, 2012, 1:38 am

I just got applied for the Xbox 360 Fall Beta Testing, i just looove it! You get Internet Explorer and many things such as a glossy look and something called "Pin" wich i don't understand lolz.. And you can go onto websites such as youtube, google and porn. for free in your own HD TV! 1080p porn right you'r screen! Amazing huh?

Tell me what you guys think!

I'm in, but doesn't support flash player, so no porn :(

iElement - July 28, 2012, 5:25 am

it tells me that the sign ups are closed now.

is there anyway to get in because this seems awesome

Yea missed out on this one, been in all of the beta programs up to this one to, so I am a little disappointed.

Oh well, nothing to crazy with this one anyways. I more than likely wont be using IE on the Xbox anyways.
