I will be offline for few hours guys, when i come back i will choose one to give review copy.

Social Engineer - July 30, 2012, 8:14 am

Sounds like an interesting eBook, definitely a first LOL.

FaTaL_ErRoR - July 30, 2012, 8:17 am

Just send a review copy to Social Engineer , hoping to see a review when i get back home :)

Guzzie - July 30, 2012, 8:18 am

Lol ^ to all the people asking for vouch copy's.

FaTaL_ErRoR - July 30, 2012, 8:19 am

everyone wants to see what the hex is this ;dd

Social Engineer - July 30, 2012, 8:34 am

I'll tell you what it is, It's a bunch of articles freely available on the internet that have been compiled into an eBook and now he is trying to sell them. So what your buying is a compilation of free articles copied word for word.

they are not just a bunch of articles, they are organized method, and u have to read them all in order to success. And that is not even a valid review.

Fredo In The Cut - July 30, 2012, 2:58 pm

Is there any proof of this working? Thanks mate.

Well, don't know how to prove you that this is working but i can guarantee you it will.

If Social engineer actually reviewed the ebook he would have said that it can work.

I suggest you make an AutoBuy Feature.

People are going to be embarrassed posting here.
