Thread: [\[New release Cinema 4D R14 Announced\]EXITED!\[New release Cinema 4D R14 Announced\]](#)

Ryuuji Takasu - August 2, 2012, 4:20 am

Well I just got the word to and I'm really exited since Cinema 4D R14 has a lot of new options in the upcoming release.

Here is a link to the announcement.

[Link to C4D R14 Announcement](#)

On a scale of 1-10 how exited are you after seeing the announcement page?

I'm definitely a 10.

Really interested in the new sculpting and animation updates(Wanna be game designer).

I hope your all excited as me for the upcoming release for Cinema 4D R14!

Well the release is some where in September + there will be an automatic update if you have R13

Ryuuji Takasu - August 10, 2012, 1:02 am

THE WORLD HAS TO KNOW THIS :D DON'T GO FLAMING PLZ :D
