Thread: [Giving away epic 300\\$ NR Forum donator! \[Vitality\]](#)

Badass - August 4, 2012, 12:36 am

Hello guys! I will be giving away this NR forum account:

<http://www.near-reality.com/forums/members/410437-tcov5.html>

As you see, it's 300\$ donator. :) You can scam some big money with it, or something.

How to get it?

Method 1:

Post a link to your fav. dubstep producer. If I like his music, you may win.

Method 2:

Make the post Post: #25.

Goodluck!

(This may come with nr account, maxed donator, not sure yet. Will update when sure.)

In the name of "Vitality" my group.
I'm proud of you, thanks!

Seer - August 4, 2012, 12:40 am

If only I wasn't MAC banned from NR. :(
Too much DDoSing I suppose.

Badass - August 4, 2012, 12:52 am

Aww D: Well, better luck next time. I have hacked plenty of these 100+ donators, so I got some to share. This has been mine for like... 4 months so.

Hitler - August 4, 2012, 12:58 am

Wait... what do I have to do? Link to you some good Dubstep?

How do you DDoS people on Runescape? Is there like a D3D with ESP IP?

Grabbed their IP via CommView over Skype and DDoS'd. Had like 3 supports IP, lots of rich stakers IP, ect.
