Thread: [\[Beta\] GMPRO Booter NEED TESTERS \[172 Shells\] \[Fast\] \[Private Shells\]](#)

GMPRO - August 4, 2012, 2:36 pm

Hey, I don't feel like writing too much right now ? SO. Anyways, PM me if you want to try my booter out, I will allow 10 people to test it for a few days. If you offer something to me, such as private shells, Then I will allow you to use the booter for a week or so. Please consider testing, 192 shells, NEED MORE PLEASE DONATE SHELLS :]

PM me why you can help with this booter, how you will criticize, if you are able to tell me things I should add, Or other things :)

Have fun, GMPRO

POST HERE FIRST & LIMIT TO 45 SECOND BOOTS

took me 24+ hours to make. Takes you 60 seconds to post and pm. DONT ABUSE 0 TIME LIMIT ?

Shells. Had to get the perfect amount. I wanted to break 200 which has been accomplished. Except HF is having problems, I made this thread weeks ago, 1440 minute cooldown for editing thread. I have a sales thread.

darky23 - August 24, 2012, 11:10 pm
