Hank Hill - August 5, 2012, 1:51 am

I swear I just posted on this exact same thread.

Euphoria™ - August 5, 2012, 1:51 am

Put his UID in the title not "A Emo Fag" and put a link to his profile in the OP.

I cannot , he said he was him, but it wasnt verified. As I said on the other thread (i made in wrong section like hank hill just said up there he saw this current post), I bought data protector earlier without verifying anything.. all was done on msn/skype. Well now ill know.
