Thread: [Setting up ALL Rats!](#)

inneedshells x2 - August 5, 2012, 10:29 pm

Hi guys. aside from my crypting service. i am now looking to set up your RATS.

For those of you having problems setting it up i can help!

Now unlike most people im not very money hungry. and i have seen people set up rats for 40\$!!!!

ridiculous Guys!

SO if you want help. and want it at a Walmart cheap price.

Come to me!

Not only will u get your server set up for you!

but when i say set up do i mean set up!

Heres what i will do!

Make sure your bot links to you.

Open your ports.

Make sure your ports are open.

Thats just the NORMAL set up people do.

But from me there's more!

I will also not only set up your server!

Im gonna Give you a FREE FUD crypt that has 0 dependencies! and 0 chance of Corruption!

But there is still more!!

After all that i am still going to go further to give you more bang for your buck!

Me i remember when i used to have to spend days trying to spread. all the hard work just didnt seem worth it!

Thats why when you buy from me i will ALSO Keep a copy of your server and Spread it for you!

Thats right guys!

Im going to make my crypting service into a full scale RAT service!

And remember how i said i seen some people Charging 40\$???

well welcome to HF's walmart For RAT's Set up

Because all i am charging is 15\$ for all this!

thats right 15\$ Paypal, or Liberty Reserve!

Hurry!
who could resist?!
