Snow.Eskimo - August 7, 2012, 5:21 am

Hey guys,

I just got accepted on FI and I want to help other members to get inside as well so I made this contest.

There will be 3 winners and unlimited slots!

So all u have to do is to proof me that you're a good earner and I will get you accepted in 72 hours(after registration!).

Rules:

- You must prove me that you are a good earner.
- You must be a HQ member (no user under 100 posts and 0 rep)
- You must join under my referral!

Throne - August 7, 2012, 9:46 am

What do you mean by "good earner" OP? That kinda got me confused.

I can sign up under your referral by the way, if it gets me a spot in the contest.

Aubretia - August 7, 2012, 9:49 am

You're not an expert, just because you got accepted. You cannot get anybody to get accepted, please stop making these threads >.<

Also, isn't the owner of FI on hf? He should be aware of these threads and remove the accounts, as your description is mostly like fake (the one you wrote when you signed up).

Meh.

Is it really bro ?? I am in... But i dont have much ppd earning . I can register under your referral and i have a autopilot technique

iSki - August 7, 2012, 3:21 pm

Erm, I don't know what you're trying to do exactly. But this probably belongs in the referral section.

Also if that's not what you're trying to do.. It might be against FileIce T.O.S.

If you can't get accepted into Filelce then you should get a real job. Making money on the internet is obviously too hard for you.

Snow.Eskimo - August 15, 2012, 4:33 am

I am making money on FI, but I want some extra ones and I want to help HQ earners enter this great website too.
