No, it's not legal.

Not sure if illegal things are not allowed here.

1. No adult/porn accounts allowed.
2. No requesting or hinting to gain reps for freebies.
3. No referral links.
4. No surprise, random or unknown freebies.
5. No warez, serials, or keys (this is for all of HF).

I don't see anything about illegal :P

If you still want it, PM me.

I can't tell you how I got it, I could be selling this and make decent amount of sales to people who are getting prepared for the SAT but I'd rather give this away to HackForums so WE CAN ALL GET A 2000+ ON THE SAT AND LIVE OUR LIFE.

Rhythm - August 9, 2012, 9:17 pm

I thought that they released these?

Spearow - August 9, 2012, 9:18 pm

Could I please get this? Thanks in advanced.

Aeon <3 - August 9, 2012, 9:18 pm

I did too Rhythm.. I'm not 100% on it but I remember seeing SATs from years back when I had to study for mine.

R?porter - August 9, 2012, 9:19 pm

I'm pretty sure you were looking at the Practice SATs.

Prove me wrong and I'll close this thread. Until then, I'll be glad to give this out to any member who is interested!

Zain - August 9, 2012, 9:20 pm

They releases the actual SAT from certain years, I'm guessing this one was leaked since OP said it's not legal to reproduce.

If someone can find the SAT test that I'm giving away, I'll be more than happy to close this thread.
