Thread: [Need backpack with cool designs :3](#)

Scar . - August 8, 2012, 4:38 pm

Anyone know where I can buy a backpack that has a very cool drawing/design. Thanks :)

I buy messenger bags and use them... assuming you'd be fine with a messenger bag I'd get something from either kenneth cole or calvin klein as some of them look neat(just what I'd do).

How much are you trying to pay?

You can purchase a Diamond Supply Co backpack.
