Rep Abuse.

I've REALLY fucking had it with this shit.

Take a look at:

Marketplace (96) - Last updated Today, 02:16 AM

Neutral (0): Wouldn't trust at all. Trade with caution.

tokivena (351) - Last updated Today, 01:56 AM

Negative (-3): no - comments

-One doesn't even specify a fucking reason

-The other one scammed me, and neutraled me for it. What the fuck.

Please tell me you think rep has gotten out of hand.

If you feel like it's rep abuse, which the first one may be, PM Dredd.

Contact Judge Dredd or post this in the "Rep Abuse" section.

EDIT: 666 Posts :O
