Ugly deface page and a lot of sites aren't defaced anymore U mad BrO?

Greetings, iJake

#Root - August 10, 2012, 2:32 pm

The 4th one is a Keylogger. -.- Don't click it.

CoBrAx. - August 10, 2012, 2:35 pm

LOL op GTFO the forum trying to infect members you stupid FUCK .
DO NOT CLICK THE THIRD AND FOURTH LINKS .

atalham - August 10, 2012, 2:36 pm

Why pakistani sites ?? . And Can i ask where are you from?

koew.haxor - August 10, 2012, 2:40 pm

Serbia, sorry if u are from pakistan. Nothing against pakistan.

Vngngdn - August 10, 2012, 2:40 pm

Yeah, nice one.

Thanks for trying to keylog me, you stupid maggot.

I'm a bit smarter than you, that's why I got myself an anti-virus. Works better than your mom gives birth.

GTFO, you got reported for illegal blackhat activities. (not by me, tough)

Warning:

Link #3 and #4 are infected with a dangerous virus. Do not click them.

I also recommend not to open another link, for your safety and your computer's.

atalham - August 10, 2012, 2:45 pm

No I am not Pakistan , I curious , I think about diplomatic relations. ?

K130 - August 10, 2012, 3:08 pm

Serbians are downies...

Theres a couple of legit ones but your kind are cancer.

koew.haxor - August 10, 2012, 3:14 pm

Lapis me za jaja. Try not to steal any organs anymore.
