Thread: [Public Release - Booster Theme - Subspace Theme](#)

dlwhdr1f - August 10, 2012, 9:38 pm

Well I don't plan on making more themes and I'm not that active in the forums anymore so here are the links to my 2 best themes.

You can check the original thread link for screenshots and stuff.

Vouch for this guy! Great themes! Thank you.

K130 - August 10, 2012, 9:40 pm

Thanks bro.

I especially like the booster theme.

darksrc - August 10, 2012, 9:45 pm

Thanks for the themes man, very nice

Great share, shame these will get leeched straight away :(

????Chicago Bulls - August 11, 2012, 3:40 pm

Nice themes bro... look amazing. thanks for the share!

System.out.println - August 11, 2012, 3:53 pm

Thanks for the two themes they look very nice ;)

Battlefield4 - August 11, 2012, 5:17 pm

I really appreciate that you gave out free themes!

Oppresor - August 11, 2012, 5:22 pm

They both look awful in my opinion. Thanks for the release non-the less.

Riven - August 11, 2012, 9:07 pm

I think the blue looks really nice, going to check it out, not a fan of the red one though :P

Eh, it gets a whole bunch of errors ._.

dlwhdrif - September 10, 2012, 4:22 pm

Just because I've been getting lots of message to get this theme.
Bump.

PhunKTech - February 16, 2013, 11:01 pm

I love the subspace theme but all I get is errors... Help me out? :/

Add this : <http://pastebin.com/axvdEAJc>

(Take out the imports from one of them, unnecessary since the theme imports them all already.)
