BulletLatus - August 13, 2012, 6:32 am

If I made one, has it even been made yet?

Just like skype, I believe I can make one...

Trump - August 20, 2012, 8:24 pm

I'd like to see this happen, I haven't seen or heard of anything like it yet though.

logging*machine - August 20, 2012, 8:33 pm

I THINK THAT MIGHT BE IMPOSSIBLE. BUT IF YOU'RE GONNA TRY SOMETHING LIKE THAT AND NEED MONEY TO MAKE IT, I'LL HELP YOU OUT

UB3RLogan - July 1, 2013, 1:12 pm

I'm down to help make one with you Sunlight.

Asteroids - July 1, 2013, 1:13 pm

If you do come up with this program, I'd definitely be buying it.

#Reliant - July 1, 2013, 1:14 pm

(Jul 1, 2013 01:12 PM)UB3RLogan Wrote: [CITE](#) I'm down to help make one with you Sunlight. Whats with all the ing today.

I have seen like 5 1yr old threads that were ed - ____ -

Stevo - July 1, 2013, 1:27 pm

Use Cain & Abel to get IP. Search a tutorial on here. It's really easy!

Oneil - July 2, 2013, 3:01 am

Hey.

There is a post where you can have all that you need on the forum.

link => <https://hackforums.net/showthread.php?tid=3153684>

Good luck.

Oneil.

Thytrix - May 11, 2014, 7:38 am

can anyone ddos someone for me on xbox?

DosKey - May 11, 2014, 7:53 am

I'll help you make this message me. ok

Butler3196 - June 21, 2014, 11:53 am

Good Idea. Highly in need here on HF. Just came looking, found nothing.

s7venty s7ven - June 21, 2014, 12:23 pm

You can use Cain & Abel to grab IPs in your game.

hack4funkid - June 9, 2019, 5:20 pm

How do i pull ips because i tried xbox resolver and it didnt work.. :(need help

NatserReturns - June 10, 2019, 9:32 am

I dont think this is possible my friend , i have never seen it done before
