I'm glad you downloaded it. You won't be banned if you follow the directions.

V For Vendetta - August 17, 2012, 3:16 pm

Vouch! Tried it out and made \$20 instantly! THANKS BRO! :D

Cobalt+ - August 17, 2012, 5:01 pm

Thanks for the vouches. Still selling and open!

Firex1 - August 17, 2012, 5:26 pm

Vouch for this guide! It is creative, awesome, and funny. You definitely could make some money with it also.

Jimmy Savile - August 17, 2012, 10:35 pm

Anyone notice how the top 4 vouches are all posted within 3 minutes of each other? Coincidence? I think not.

Fake vouching should be banned.

This. Almost all of the vouches are from friends, I don't think that's fair.

Cobalt+ - August 18, 2012, 6:30 am

I should be banned? LOLOL. These are just friends saying I'm legit.

XDD

,

I will check it out soon it will take me time as the survey for the download dont change to marked even after I downloaded and registered the software they wanted me to..

saying I'm legit.

I didn't say that.

I'm saying unless they have personally paid for the product and received - they shouldn't be allowed to vouch.

They can still vouch. You see it on almost every thread.

Bumping this up because I'm still selling.

Still open and selling this. You can also download it.

SatansFate - August 19, 2012, 6:23 am

I have a copy of this guide - legit guide, works well.

Highly recommended.

Cobalt+ - August 19, 2012, 8:37 am

Thanks for the vouch SatansFate. Glad you like it.

MythzjE - August 19, 2012, 9:41 am

Vouch for Rain, this eBooks works great. Thanks!

Silent Assassin - August 19, 2012, 9:45 am

Does this involve shipping tangible items?

I wasn't interested when your method is public.

Close. This may be patched now. Just going to give it away for free right now.
