OP, the fact that you took the time out of your day to spy on other males and then take a picture of it, and then post a thread about them just confirms that you are creepy/no life and probably look no better than they do.

AttYy - August 17, 2012, 5:53 pm

Maybe he will find him one day!/: D i hate his forehead..

THE QUESTION IS DO YOU ???? PLEASE DONT POST UNWANTED COMMENTS ON MY THREAD.

You obviously don't know how to use the quote mycode feature. You're also raging in caps. So, I think you are a bit mad. Your grammar and rage makes you look 12 instead of "19 and amateur fighter".

Tasty fingers much?

Also don't even know if its guy or girl. If it's a girl I reckon she's practicing for when she's older.

well then this obviously isn't one of your slaves? because you would know if they were male/female then :P

FORELLI - August 22, 2013, 8:10 am

Well mostly "ugly" slaves are male , and under 18. Pretty easy to get them to open up a "nude picture" .

Chrazy - August 22, 2013, 8:13 am
