Thread: [48-Hour Xbox Live Code Giveaway](#)

Platypus - August 17, 2012, 8:05 pm

You heard it, everyone. My very first giveaway. A simple 48-Hour Xbox Live Code. Nothing too great, but I'm working on it, alright?!

Anyways. Post here, and I'll give it away. I have one (1) for now, but I'll get more, so don't think you missed your chance. Also, this is for a member who I think deserves it (even though it's only a 48 code), so I won't have the winner be some skid.

Spoiler ([Click to View](#)) While you're here, check out my song in my signature!

inb4 leechers.

I'd like to have this due to my hard work and risk taking.

I've taken risks by giving Minecraft acc's to the community even though it's against the rules, just so they can be happy for how ever they last.

Thanks anyways man.

I'd like this please. I haven't been playing Live because I didn't have enough time to play with my Xbox
:P

Enter me into this. I would like a chance to win it.

BTB™ - August 17, 2012, 8:30 pm

Would love to win this!

My cousins are coming to my place. And we can have a real good time. Thanks.

It is free gold weekend for those who didn't know. But this would be good for after it is over. :]

Platypus - August 17, 2012, 8:53 pm

I have decided to give the code to: BTB. I did not choose this because of his UB3R status; I chose him / her because I felt that he had a valid reason to use it. He's offered a lot to the community, and therefore he deserves it.

I will have a lot more 48-hour giveaways to come!
