All I ask in exchange is that you vote for my friend. He is in this contest and really deserves to win. As soon as you enter, you get the coupon code. You have to sign in with Facebook but you can just uninstall the app, it doesn't do anything.

Thanks guys, and enjoy.

So you are bribing people to help him win? Wouldn't that not be fair to him? Expiration date on coupon and restrictions?

How is he bribing people? This is a contest where you get a \$10 coupon no matter who you vote for, he's only encouraging you to vote for his friend. It's the least you can do considering OP is sharing this with us.

Unfortunately, American Eagle is not really my style.

Unfortunatly, the contest is over. Thanks though Zain. I appreciate it
