Thread: [\[Free\] Best Buy Private Auction Site Invites](#)

Hecker21 - February 19, 2010, 9:01 pm

If you don't know what it is, it's a best buy private auction site like ebay but prices are way cheaper. I got a surround sound system from them for 40\$ (I think it was 200\$ in stores) so it's real.

Here's the site <http://bestbuy.dtdeals.com/auction/index.cfm> (it says create an account but you need an @bestbuy.com email, employee number, and store number to sign up. So You gotta be invited or be an employee.)

To have an account you need to be a best buy employee, friend, or family member.

Spoiler [\(Click to View\)](#)

Here's the invite page:

[IMG][http://i48.\[censored\].com/293xbwx.png](http://i48.[censored].com/293xbwx.png)[IMG]

leave your email below or pm it to me and i will invite you ?
US only BTW

also these sell on ebay for 2\$:3
