Thread: [Lost my old email.. Account got lost with it.](#)

ASAP Jig - August 22, 2012, 12:08 am

So i decided to come back to hack-forums yesterday and i realized my Hotmail account had been locked for no apparent reason and it has now been lost. My old username was emulator.. 78 of hard earned rep and leet membership gone :l

?

You should use "contact" (<https://hackforums.net/contact.php>) and contact Factor8.

Also you can find any Staff here: <https://hackforums.net/showstaff.php>

Ok guys, I think he gets it. Anyways good luck mate!

AliveAgain - August 22, 2012, 5:56 pm

Also never use hotmail, use gmail. Good luck

I recommend contacting Microsoft in attempts to recover the Hotmail account, then attempting to recover your HF account. Once you have recovered your Hotmail account, please use the Contact Form.
