Thread: [Netflix account contest](#)

Lemur - August 22, 2012, 4:56 am

In this contest, any odd numbered post will get a Netflix account until I run out... All I ask is that you dont change the password!

I cannot guarantee how long you will be able to use the account, but hey, free movies right?

9 and great contests. I'd like to know the reason behind the sudden surplus of accounts. Thanks from the future.
