I have been using this website for some time and I assure it does deliver your likes. Not in huge amount but in small quantities. All you have to do is earn a few points and than set up to get likes on fb, youtube, or twitter.

Video Tutorial here. Watch in 720p because it came out blurry :o

Enjoy! :)

Also if you need help getting the likes or your're lost just PM me.

Here is a tutorial. Hope you guys find this helpful in any way :]

Spoiler ([Click to View](#))

First register and confirm your E-Mail. After wards you should see this page. Click on "Fan page view and like"

Go to a few pages until you get around 5000 coins. Like the page and confirm it.

After you have around 5000 coins than you can go to the menus and click on "Add site".

This page should come up. Just choose facebook fanpage likes. Fill everything out. For cost per click choose 500. It gets your likes ALLOT faster.
