Raz3d - August 24, 2012, 9:41 am

Hello everyone, I'm selling my awesome steam accounts.

None of them are hacked ones and are legit ones.

I have 4 accounts I will be selling.

#1 SOLD: Steam Café account 7 digits with 337 games included CS:GO

My offer for a MW3 account is \$4.50~ if it's too low then nvm

Hamware - August 24, 2012, 10:14 am

Do you have an account that has a lot of play hours? (Over 500 or something).
Without any bans on servers, Then I'd be happy to purchase!

Vouch for Gwamp
Hez legit as f0k3

Would buy if i need it

Raz3d - September 7, 2012, 12:01 pm

Thanks alot, these accounts are still for sale.

Danger105 - September 7, 2012, 12:21 pm

For people to better understand your accounts, you should black-out the games which are not on the account's.

Basically the Pre-loads and demo's.

This will bring you better and fast sales i believe, when people will know what you exactly have for sale.

Regards
