No word from him since on skype, except this after I left a negative reputation saying that he was sketchy and a deal was in progress.

That's it, pretty much

He still owes me the design.

As far as I'm concerned, this seems like a legitimate scam report to me. I'm waiting to see his response to this, however.

Oh my god you skid ._.

Contact me on Skype. I aint dealing with this shit.

Vegas - August 26, 2012, 3:03 am

^Doesn't know what a skid is.

OP, looks like you just need to endure for a bit, have some patience. Prism seems to be more than willing, is just unavailable.

That's exactly right. I have been away on holidays, and more than active on Skype. You negative repped me. Asked me to contact you. You never replied over PM... So what do you do? Make this thread. Contact me ASAP Zoidburg, I'm quite disappointed over this.

I think you're the one who needs to be called an idiot because I'm doubtful that you read a single word in this thread. Get paid? It's a trade transaction, a design for the book. No one is getting paid. Spamming to get your post count up so your e-dick virtually gets bigger. Fucking idiot's these days.

Good luck OP on getting your thread design.

Maybe he's taking a nap :P Wait until what he says tomorrow, really isn't a big deal here. You're cooperating and he should just go with it and drop the report.

Zwift - September 12, 2012, 8:47 pm

I have PM'ed him a while ago. This should be closed... This should be taken out of my rep too..

Zoidberg - September 12, 2012, 9:04 pm

I've replied to your pm's, prism. You don't reply back!

Sir - September 12, 2012, 10:12 pm

I can vouch for prism. during this time frame. He was busy with personal life and that comes first.
