Is this blackhat? Does this include going and using phones in a store such as AT&T? Does this involve doing surveys?

It does not require going to stores and using phones nor surveys.

Hey, is there any way I could take a look at this?

You aren't allowed to ask for a vouch copy.

Vouch copies are only for Reviewers, sorry.

I would love for this to get reviewed before I buy.

Just PM a reviewer rank and let him vouch for it.

I can't find one. I'll keep looking. I want it reviewed.

Stop asking for a vouch copy. I'd rather wait for a quality ebook review than someone who just got a random vouch copy just because.
