Thread: [\[TUT\] Infinity Design Studio ? Taking tutorial requests](#)

Zwift - August 28, 2012, 3:22 am

For now, I am taking requests on what tutorials to make. Please post here on what you would like me to make.

I will be posting tutorials here very soon. So please keep this thread ed up!

- Thread Designs
- 2D Animation
- 3D Text using Cinema4D

DashPHP - August 28, 2012, 3:22 am

Perhaps thread designs? They look cool and I'd love to learn how to make them.

I would love some more tutorials on animations,
I'm a super noob and don't really know how to animate anything.

A tutorial to make a animated HD wallpaper.

The Don Corleone - August 28, 2012, 11:14 am

Can you please make a tutorial about how to make an HQ pattern overlay, in like signatures and thread designs. Thanks for your time.

General of the Army

This seems nice, a nice tutorial on blending patterns with your background.
