Thread: [\[Rhythm\] Have my signature space for 1 week - Rub?ks](#)

Retribute - August 30, 2012, 9:17 pm

Description

I will be randomly selecting one lucky member, and that lucky member will be able to use my signature space for 1 week/7days. I am an ub3r member, so my signature can consist of text and or an image of your choice.

The winner will be randomly chosen using a random number generator.

Instructions

In order to win, all you need to do is pick a number between 1-25. This list will be updated when I get to it.

Also, do not pick a number that has already been taken. If you do, you might lose your chance to win the spot. The first person who chooses the number will get that number
