What Is E-Whoring

A whore is a whore and e whoring means an online whore. This might sound a bit uncomfortable to some people but making money through eWhoring is the latest buzz. eWhoring actually means posing yourself as a girl on the Internet to gain money or items.

How can I Make Money With This?

Well, Using My guide you can pose as a girl whom is lonely and needs a friend. Convince Pedos (Peodophiles) that you are a girl and tell them you need a camera to send him pics...Whalah 50\$ directly to your Paypal.

Is this Illegal?

Yes, Because you may be under 18, sending naked pictures (of anyone) is illegal. So be very carefull and use a proxy program. (ProxifierPE) works fine.

To Start Off

Well Youll Probably need some fake pictures. You can either Get them off of myspace, facebook, whatever. Or you can download them [\[Download\]](#) thanks to Kazu and his 1022 E-Whoring Pictures. (160.5 MB)

Now that you have some pictures you need a total new identity. Please [Click Here](#) And randomly generate a fake FEMALE name. Right it down, You dont need to do this..You can just make one up. Once you have a Name (In this tutorial I will use Sally Smith) Make a new email address.

Choose One:

[Gmail](#)

[Yahoo](#)

[Hotmail](#)

Be sure to use the same name you made up and to sign up as 18+

Then You Must Create an Account on AOL. [\[Sign Up\]](#)

Then proceed to edit you account and add some pictures of "yourself"

Once done procede to Paypal [\[Click Here\]](#) and sign up using your fake info (female)

Then Log onto AOL Chat [\[Click Here\]](#) Using the newly created account.

Steps

- 1) Create a new Chat Room
- 2) Name it " 14/F Looking for Strong Man w/ CreditCard- Ill do Anything"
- 3)You will get alot of PM's
- 4) Start to chat with some older men and explain that your parents suck and you cant wait to move out and they wont let you drink or anything.
- 5) Eventually Lead Into Saying that You really like him and ask if he wants a picture...He'll say yes.

Ask "Dirty or Clean" He'll Probably say dirty.

6) Send him a picture from the file you downloaded (mostly naked pics)

7) Tell him you need a little money to buy a better camera (have him send it to your paypal.

8) Whalah....

You may have to edit this to suite your situation.

You got that from another article.

But as far as the rest of the tutorial goes it's pretty good although most people already know most of this

Thanks for this, I've done this before but as another guy.

Do you think you could do another one but from the male bit.

I'll need some hot male eWhoring pictures.

Pretty old-school method there; a load of guys won't send you money directly anymore, which is becoming an increasing problem, same with sending gifts, I used to do something very similar to what your talking about, although it was with a much more advance set up, a fake credit-card website, so I was able to tell them it was free, they won't be charged, couple days later, they get charged, it's so easy to get them to hand over credit card details to a website; the fact they believe they get some pussy out of it, just means they are even more likely to. :)

in these day's you have to setup a complete relation before someone sends you money im now busy with some one of 38 he only send me small gifts but you have to take it slow if you dont do it

slow they know something is wrong and then you can start all over but in the early days of e-whoring it was easy you could 100 bucks a day m but now people are carefull also because of the economic market is screwed only one thing to say its not that easy

I DEFINITELY GOTTA TRY THIS TRICK some time when my exams are over

Oprah Winfrey - February 23, 2010, 5:50 pm

I did this on habbo for "virtual furniture" when I was younger, lol!

I should try this with real money, as I have been reading about eWhoring for quite a while now.

Thanks for the quality post,
SEJon
