Thread: [Today at school some kid runs from cops and leaves school LOL!!](#)

Today at school this kid was talked to by the security guard.

The guard told him to go to the principal's office but he said no and didn't want to go.

So the guard called the school cop and he just starts walk off.

He then jump on to the building hanging on the bar thing (lol) on the roof and it broke, so he jumped on the fence and hopped on the building.

So as the cop comes over he tells him to get down he goes on the opposite side and JUMPS off and rolls out and takes off running LMAO. It was a pretty big jump too.

So apparently the school calls the cops, we heard sirens go off .

I saw him later and he was back and he told me, " after i ran the cops went after me but i just went to get a coke, and only got 10 days of detention."

Lol it was hilarious.

tl;dr : Kid ran from cops away from school, cops went after, bought coke, only 10 days of detention.

I wish that things like this would happen at my school...

Sounds like that kid belongs in the ghetto. Send him to my hood. He'll fit in just fine.

Not sure if troll or if you're telling the truth...It's hard to believe someone would get away with running from the police considering that's technically resisting arrest (I think)

Lol well it was the cop on school property the cop didn't even chase or anything they just watched him run off and blamed the kids around him for " supporting " it lol.
