I'm currently a Senior in my high school we need some help creating some designs for our class 2013.

Let me know what you can make, possibly throw in a \$20 reward. :')

Burgundy/Black/White. If possible..

Any ideas on the design? Like whats your school's mascot? or any specific designs?

What's your school's logo? It would really help me if you could give me as much as info on your school. I have a simple design right now.

HJHS Warriors.

Our logo is just HJ in general. We just want it with our class and our initials with some kind of catchy logo.
