Thread: [I'm a rich bitch, bitch!](#)

I know topics like this have been created before, and it's not as big of a deal, but I just donated \$50.00 to WitzalOmni. I had about \$20.00 extra in my PayPal, but sadly I need to save that for two monthly invoices. I will be making more money soon with graphic design and web design and I can fit a bit more into the donations. So far, I've donated a total of \$86.00 USD.

Thank you Omni for this beautiful forum and as long as it keeps alive, there is more where that came from! WHOO!!

Queue random pirates ??? and dancing guy ?.

Now it's time to go to bed.

The award may have been absently inferred in the bragging, but he was just bragging a bit about his donation, I see no breach of rulefollowing here.

I was mainly stating the fact that I donated to HF. Also, I made your signature better for free so cut ME some slack please.
