This is DayZ.

i am able to give you ANY Weapon and ANY Vehicles as long as its not blacklisted!

All i need you to do is Post here then add me on skype

Skype: Specmarines

You will have to choose the server and i will come on.. eighter to ur camp or whatever you want, and give you what you want...

This is free for all members of hackforums

P?kachu - September 6, 2012, 11:42 am

Where can I find a list of what is black listed? Can it be things such as food and backpacks aswell as weapons? Thanks.

Logistics - September 6, 2012, 11:43 am

I am going to add you now! Thanks a ton. :)
