*****SALE 7\$ Lifetime*****

Hello Rowdy Booter Will Be On Sale For The Next 2 Weeks! Reason? my paypal got hacked then limited so all my funds were lost. I need to sell logins to make back all my money so i can keep this project going and make Rowdy Booter WebBased in the future.

Since Rowdy Booter Is On Sale I Am Not Going To Make A Big Thread And Make Everything Complicated.

Price

7\$ Lifetime [With Future Access To New Servers and WebBased]

Features

---> Hits At 1GBPS

---> Unlimited Hit Time

---> No Cool Downtime

---> Putty Based

---> Perfect For Xbox Connections and Small Websites

---> Easy To Use

My question, How long will "lifetime" actually be? Wont it die very quickly since it will be very "saturated" since many people will be using it?

Can you hit IPs with it?

Like could I boot a friend over line?
