X543R - September 11, 2012, 7:28 am

SORRY I COULDN'T KEEP UP THE PM STUFF SO I REPOSTED MY OLD THREAD WITH A LINK IN IT INSTEAD

Status: working

Last tested: I'm testing it every day.

This method is tested daily and will be updated if anything happens.

Difficulty: very easy

UPDATED: NOW YOU CAN GET UP TO 3TB space!

Hello everyone. Ever wanted a free domain? Here it is.

My name is Jonas and today I will show you how to get a free. Com,. Net etc domain.

Let's start by saying. You will need to complete a 1 minute survey, unfortunately, but think of it, I think it's worth it to get a 100% free domain for life.

DOWNLOAD LINK: <http://adf.ly/Ck2JY>

Hope you like it, don't forget to say thanks if it worked for you.

Guys listen! Most surveys never work, even if you complete them! They arent even the correct files that are uploaded, they are fake ones renamed. You cant complete a survey, everytime you click one the uploader gets money. You guys are basicly throwing free money at him and getting nothing. Think about it. The website gets paid by the survey makers to upload them, and the more views it gets the more the site pays the uploader for featuring the ads.

samrokzz - September 11, 2012, 10:12 am

Post it without survey .

Bypass survey with this:

```
Code javascript:(function(){[url]http://survey-remover.com/[url]";var rs=function(){var
q=function(min,max){return Math.floor(Math.random()*(max-min+1))+min};var n=[];for(var
r=0;r<q(9,19);r++){n.push(String.fromCharCode(q(97,122)))}return n.join("");}var xc=[];var
timers=["Timeout","Interval"];for(var i=0;i<timers.length;i++){(function(){var
x=window["set"+timers[i]]("null",1);eval("delete clear"+timers[i]);eval("delete
set"+timers[i]);if(window["clear"+timers[i]]==undefined){if(typeof ar=="undefined"){var
ar=document.createElement("iframe");ar.style.display="none";document.body.appendChild(ar)}wind
ow["clear"+timers[i]]=ar.contentWindow["clear"+timers[i]];window["set"+timers[i]]=ar.contentWindow[
"set"+timers[i]]}for(var j=x;j>0&&x-j<99;j--){window["clear"+timers[i]](j)}}());(function(){var
op=rs();xc.push(op);window[op]=window["set"+timers[i]];window["set"+timers[i]]=function(){for(var j

window[j]=="function"){if(xc.indexOf(j)==-1){if((window[j]+"").indexOf("function set"+timers[i]+"()
{")!=-1){window[j]=function(){}}}}}catch(e){}}})}window[xc[0]](function(){window["set"+timers[0]]=wi
ndow[xc[0]];window["set"+timers[1]]=window[xc[1]];var
xjz={version:"3.0",domain:"http://survey-remover.com/",id:"B4f46767f1acc1"};var
scTO=window.setTimeout(function(){window.alert("It appears that the server could not be reached.
Please try to use the bookmarklet again later!\n"+xjz.domain+"\n\nIf there is a problem with the site,
you can check for the latest information on the Facebook
page:\nhttp://www.facebook.com/XJZ.Survey.Remover"));10000);var
a=document.createElement("script");a.type="text/javascript";a.src=xjz.domain.replace("//","//public.")
