Thread: [My shells shop \[404 shells - not ddos shells\]](#)

Clubs - September 12, 2012, 11:32 am

*Shells uploaded by me with my own source by an exploit (which I don't own or have).

*Shells are 100% private and will only be sold once.

*I don't take any responsibility for what you do, you may do whatever you want, from rooting to ddosing to get the users from the DB. No replacements and no refunds whatsoever.

*Most of the shells's domains are: com,co.uk,net,org,info and some are europe domains such as eu,nl,etc...

Prices:

5-10 - 2\$ each

11-20 1.5\$ each

21-40 1.25\$ each

41-80 1\$ each

81+ 0.75\$ each

no other discounts.

Accepted currencies: PP, LR, Payza (10% addition).

It gives you access to all the files on the server, you can BF the cpanels on the server, symlink or whatever you want.

You don't know what c99, r57 etc means?
