Thread: [Pearson Instructor Center un/pass hack?](#)

Greatdwarf999 - September 15, 2012, 4:42 pm

Hi everyone, this my first thread!

Okay Im taking this stats class, my objective: to get hold of the "Instructor's Solutions Manual (Download only) for Statistics for the Life Sciences, 4/E" off the Pearson website.

<http://www.pearsonhighered.com/educator/product/Statistics-for-the-Life-Sciences/9780321652805.page#downlaoddiv>

The problem is that you are required to have a teacher un/pass and I guess pearson emails the institution to confirm your access?

Idk how hard it would be to hack it but I was wondering if anyone 1) would be able to hack it and PM me (greatly appreciated!)? 2) could get me a Pearson Instructor Resource Center un/pass to this website? 2) could tell me how to tackle this issue?

Thanks!!!

Btw its not the book! its the Instructor solution manual under the resource file lol

Well i'd suggest that you learn how to do it yourself so you actually get to more out of it. But, if you insist, you can find somebody to do it for you in this section;

Hey,

I would really appreciate if you could help me with the Instructors Manual for "Finance and Accounting: An International Introduction" by "David Alexander and Christopher Nobes". The ISBN of book is 9781292102993 and I think that of Instructors Manual is 9781292103006.

I am new here so could not PM.

Thanks a ton.
