I'm sure everyone here who has common sense will realize that it's \$25, not \$2500, but since you
clearly lack common sense, you fail to realize that.

BESTBESTBESTBESTBESTBESTB - September 15, 2012, 8:29 pm

It works with Xtreme RAT? Okay, crypt an Xtreme RAT server for me. I will pay you \$50 if you crypt
it right now, and prove it working. I have the private version. Building you a bin now. PM me with
