I don't think I could get that much for it, but that would be pretty awesome!!!

Feather? - September 18, 2012, 10:47 am

Do you mean gaberhub or gamerhud? Because in the what I think is a copy paste from a site it stands gamerhud and you have wrote gamerhub.

eXero - September 18, 2012, 10:49 am

Try and sell it ASAP!!! Make big kesh from it.

I nabbed a really good one just the other day. Too bad it wasn't gamerhub. That could be worth a lot of money.
