Pops - September 19, 2012, 9:24 pm

IMPORTANT If I catch any dickheads bruteforcing the password, I will remove the download link.
NO EXCEPTIONS!!!

Hi guys,

So, yesterday I announced I was uploading a HackPack, and it's finally here!

It has the following:

JavaDriveby's
Crypters
DDosers
Flooders
Booters
Adfly bots
Keyloggers
RAT's

and much much more

In total there is 1.37GB of hacking tools and programs!!!!

The best part is, it's absolutely FREE! To get it...Click [here](#)

To get the password for this:

- Normal members go to <http://adf.ly/CxTe9>
- L33t/Ub3r PM me for the password

If you encounter any problems,
let me know.

Bump :P

I'm surprised people don't want this.
The old threads were quite popular!

The original thread was junked for being in the wrong section.

I ten explained that I couldnt post in the right section.

So this thread is ok.

Thanks man.

You don't know how freakin annoying it is to try and get them to realize that.

Thanks for sharing this, this pack looks nice.

StackerZZ - September 29, 2012, 6:32 am

nice man. I hope to soon get the password because I can not wait!
