Hey guys, Godly here. I have a few trials and I am just trying to get rid of these. I will not go first for I am very trusted.

16 codes in stock!

Each code is \$1 Paypal and that is ALL I accept.

To contact me just PM me here or PM me your Skype, don't ask for mine you won't be able to find it.

I love you Pocky

EDIT*

Nevermind guys, I was about to sell to the guy up there but I checked ALL 16, none of them worked..? I guess I got scammed. Bummer, sorry guys! :(
