Thread: [? \[Free\] UserBars \[Free\] ?](#)

Mastery - September 24, 2012, 2:26 pm

Hello again!

I am giving away, some free userbars! These were created in a decent amount of time, they are very simple if you are in GFX art. I am giving ANYONE permission to use these.

Proof I made them (Warning BIG):

Neal Caffrey - September 24, 2012, 8:22 pm

They look pretty good to be honest :D

I would use them, but I don't have a forum or anything at the moment ;p

iNach0z - September 24, 2012, 11:28 pm

I will use them on my forums, coming out soon, ill pm a link when its up :p
